

Member2Member Discount Program

Would you like to increase your business among Chamber members while also taking advantage of specials offered to you? If so, we invite you to participate in our Member2Member Discount program, which allows our members to offer a discount to fellow members and/or take advantage of discounts offered on products and services they use every day.

The Member2Member Discount program offers Chamber members and their employees the opportunity to:

- save money when making purchases at participating Chamber merchants
- stimulate new business through increased exposure and word-of-mouth referrals through Chamber member companies and their employees
- encourage Chamber members to patronize their fellow member's business

Participation in the Member2Member Discount program is voluntary. However, the following guidelines have been established for the program:

- Discounts must be a minimum of 10%
- Discounts must apply to actual goods and services
- Discounts must be ongoing, and not a one-time only offer
- Free consultation offers are not eligible for the program
- M2M discount cards will be issued annually in order to identify Chamber members who qualify for the discount
